

Ernie's Auto Wash

West Boylston, Massachusetts

HOLLOWCORE PLANK

Architects: **Gregory J.O'Connor Associates** - Worcester, MA

Engineer: **Johnson Structural Engineering** - Auburn, MA

Construction Manager: **Ernie's Auto Wash** - Worcester, MA

Ernie's Car Wash in West Boylston, MA is the fifth location in Worcester County. Ernie's specified the use of 8" hollowcore plank because the plank can stand up to constant moist conditions. This newest facility, built in 2007, utilized 7,200 sf of plank to cover the "Touch Free" drive thru bay and the 6 open self cleaning bays. The plank for this project was erected and grouted in 2 days.
