

4 Burlington Woods

Burlington, Massachusetts

4 Burlington Woods is a 100,000 sf, LEED Certified, first class office building in Burlington MA. It features efficient and open floor plans, and a two story lobby. Located on a five acres of landscaped grounds, and direct highway access. The building also includes: interconnecting stairways; floor to ceiling windows along the main facade; high ceilings; energy efficient systems; three full-service cafeterias; a fitness center; and parking for up to 350 vehicles.

Gutierrez Construction Company awarded Strescon Limited the contract to supply and install 83 architectural spandrels and 72 architectural infill/ column covers (16,300 sq.ft.) for the project. The project was completed in summer of 2015.
