

Precast Concrete Solutions for Parking Garages

Worcester Vocational School Parking Garage

Worcester, Massachusetts

Worcester's new vocational high school opened in September 2006, to 1,500 students who occupy the 100 classrooms and 24 learning centers located in this 400,000 sf building complex. Strescon furnished and installed 70 pieces of precast concrete components to form a 25,000 sf, 160 car parking deck. The garage was erected in just four working days.
